Dedication
Dedication

In appreciation for the hard work and support shown to the students at Fresno High by our Yearbook sponsor Miss Hoernicke, we the Yearbook staff, in expressing our thanks, dedicate this book to her.

Without Miss Nikki Hoernicke, there would be no yearbook for all of us to enjoy.

Miss Hoernicke attended Hamilton and then went on to Fresno High until her junior year. She finished up high school in Walnut Creek. From there she went on to Fresno State, where she graduated.

Miss Hoernicke is a strong supporter of school activities and has many outside hobbies. She is interested in physical fitness and is a frequent patron at Four Walls West. She has been snow skiing for the past seven years. She also enjoys her two cats, Hank and Snowflake. When Nikki was younger, she used to play the accordion.

We the yearbook staff extend our appreciation and thanks for the hard work and the time she donates to the Yearbook.

WITH LOVE . . .
from the 1982 OWL staff.

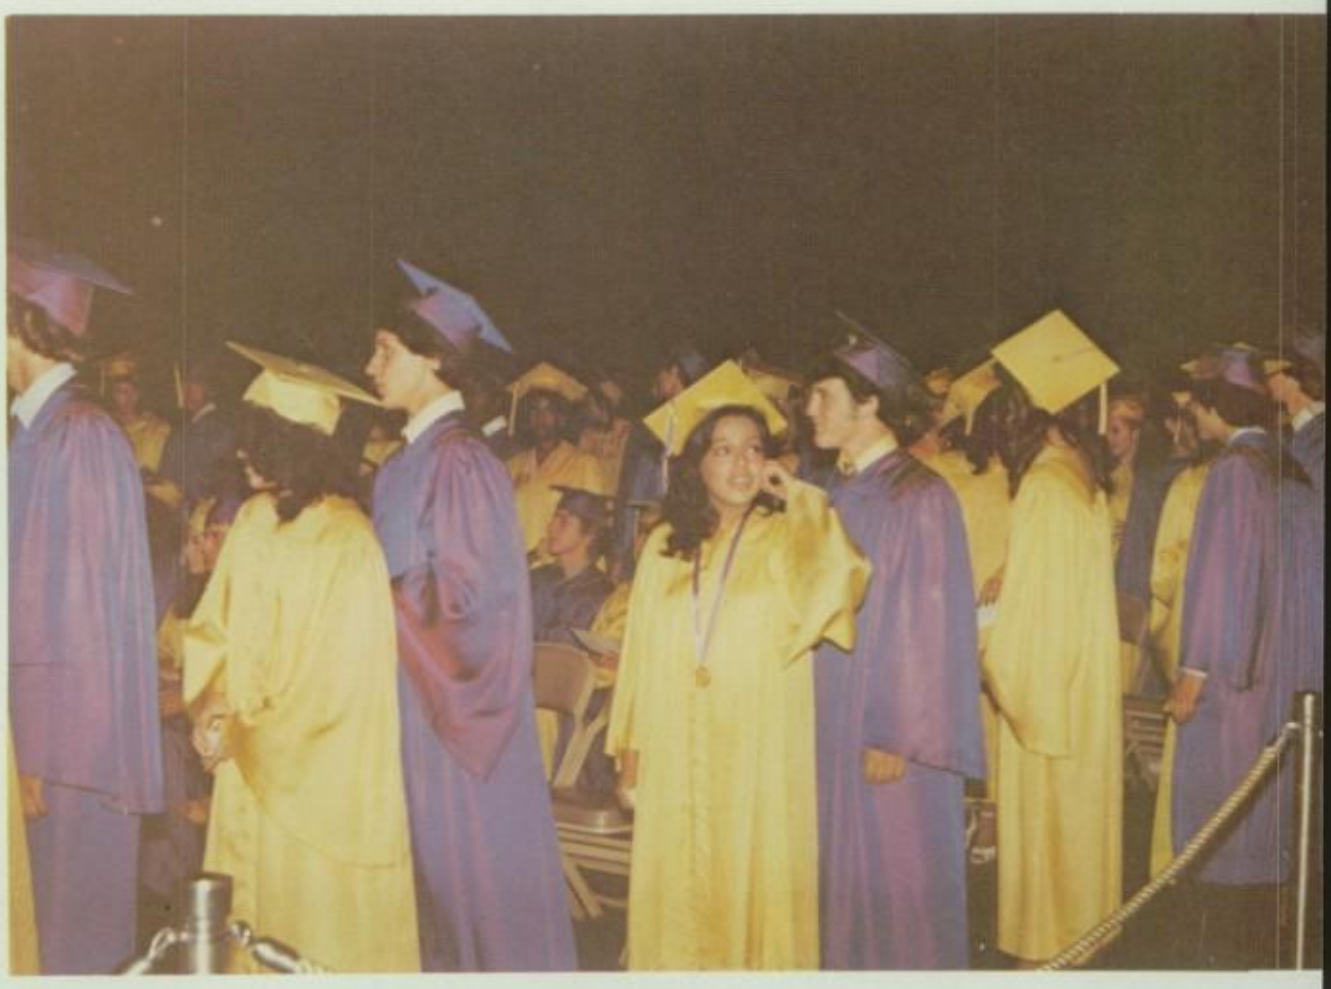
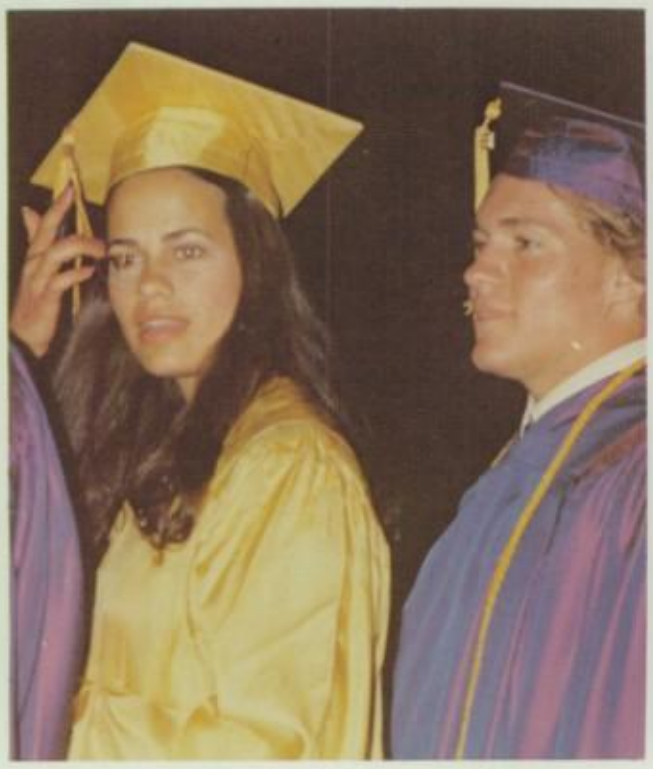
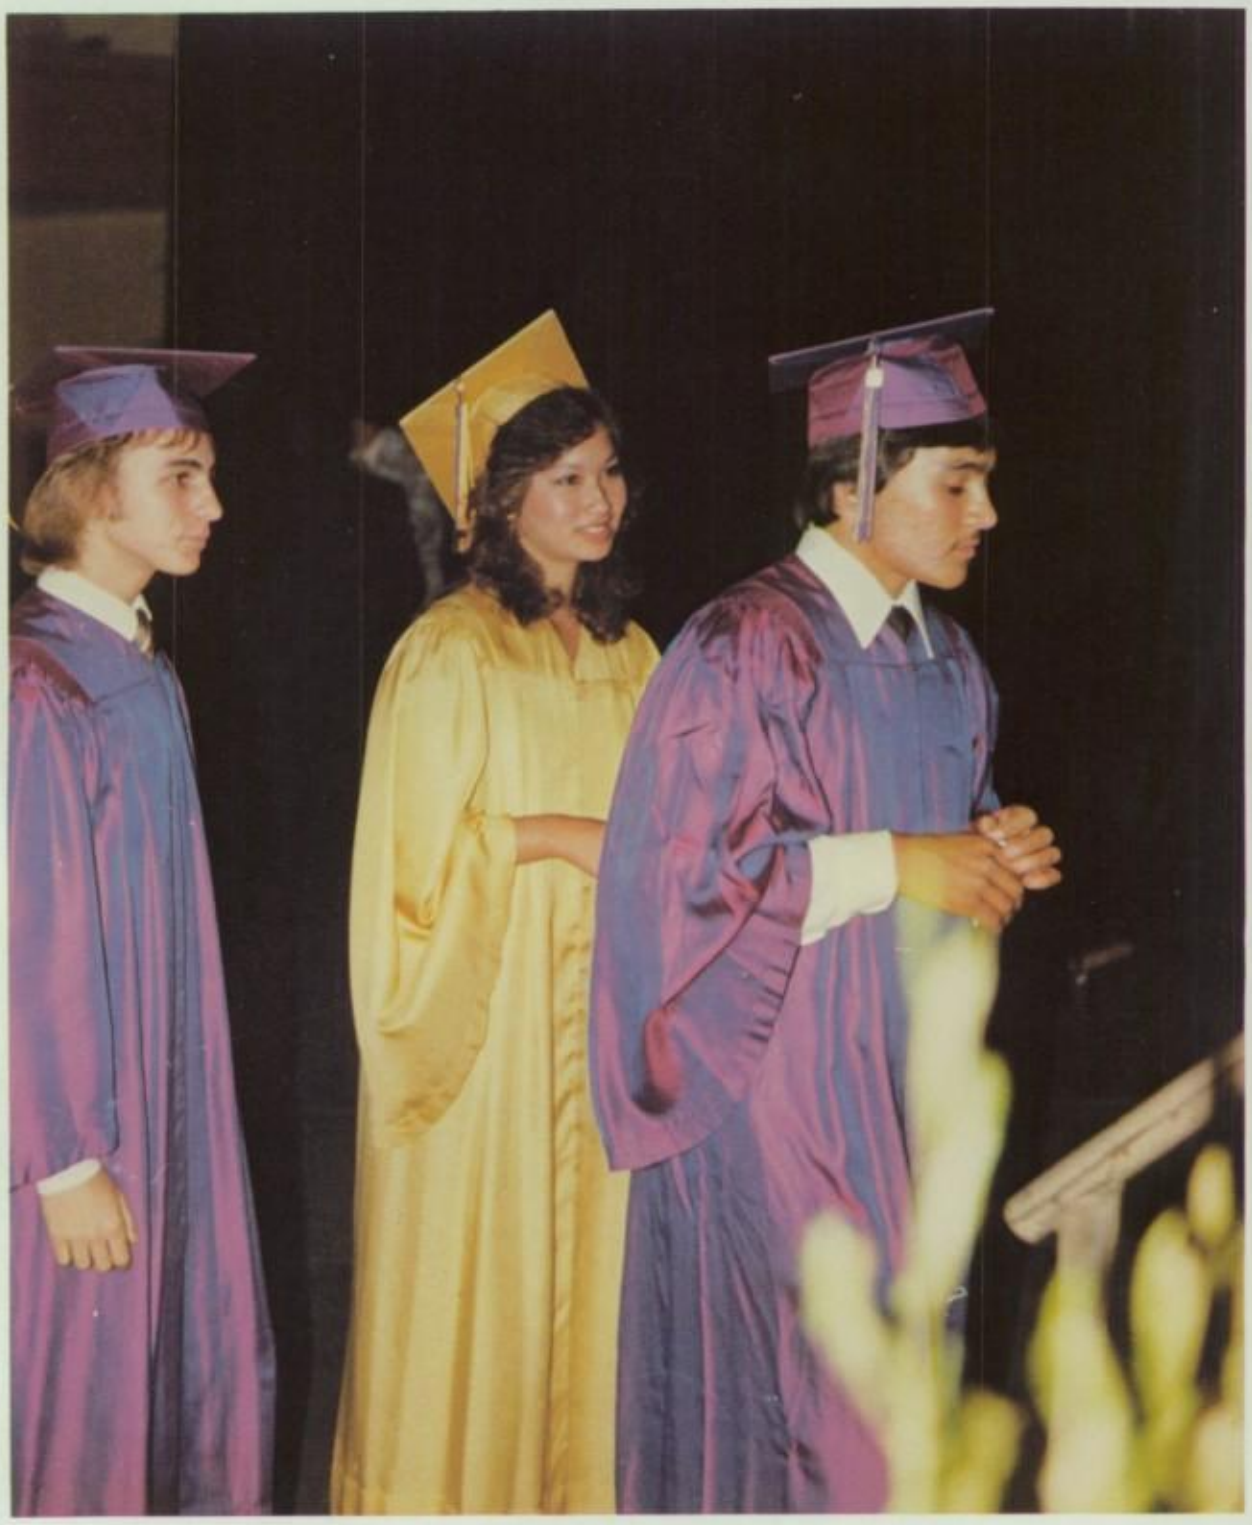
Class of '81

The day we all had waited for finally arrived. On June 10, 444 beaming graduates marched down the aisles of the Selland Arena. Flash bulbs could be seen all around. The sparkle of the purple and gold robes shone throughout the arena. Mixed emotions of sadness and happiness filled the air while proud, smiling faces of friends and relatives were exhibited. A feeling of celebration was enjoyed by many as they cried and hugged each other.

Now, the arena is dark and all have gone home, but many have seen their dreams and wishes fullfilled. The graduates now look back at their past years here at Fresno High and reflect on the way they were.







Misty water colored
memories of the
way we were.

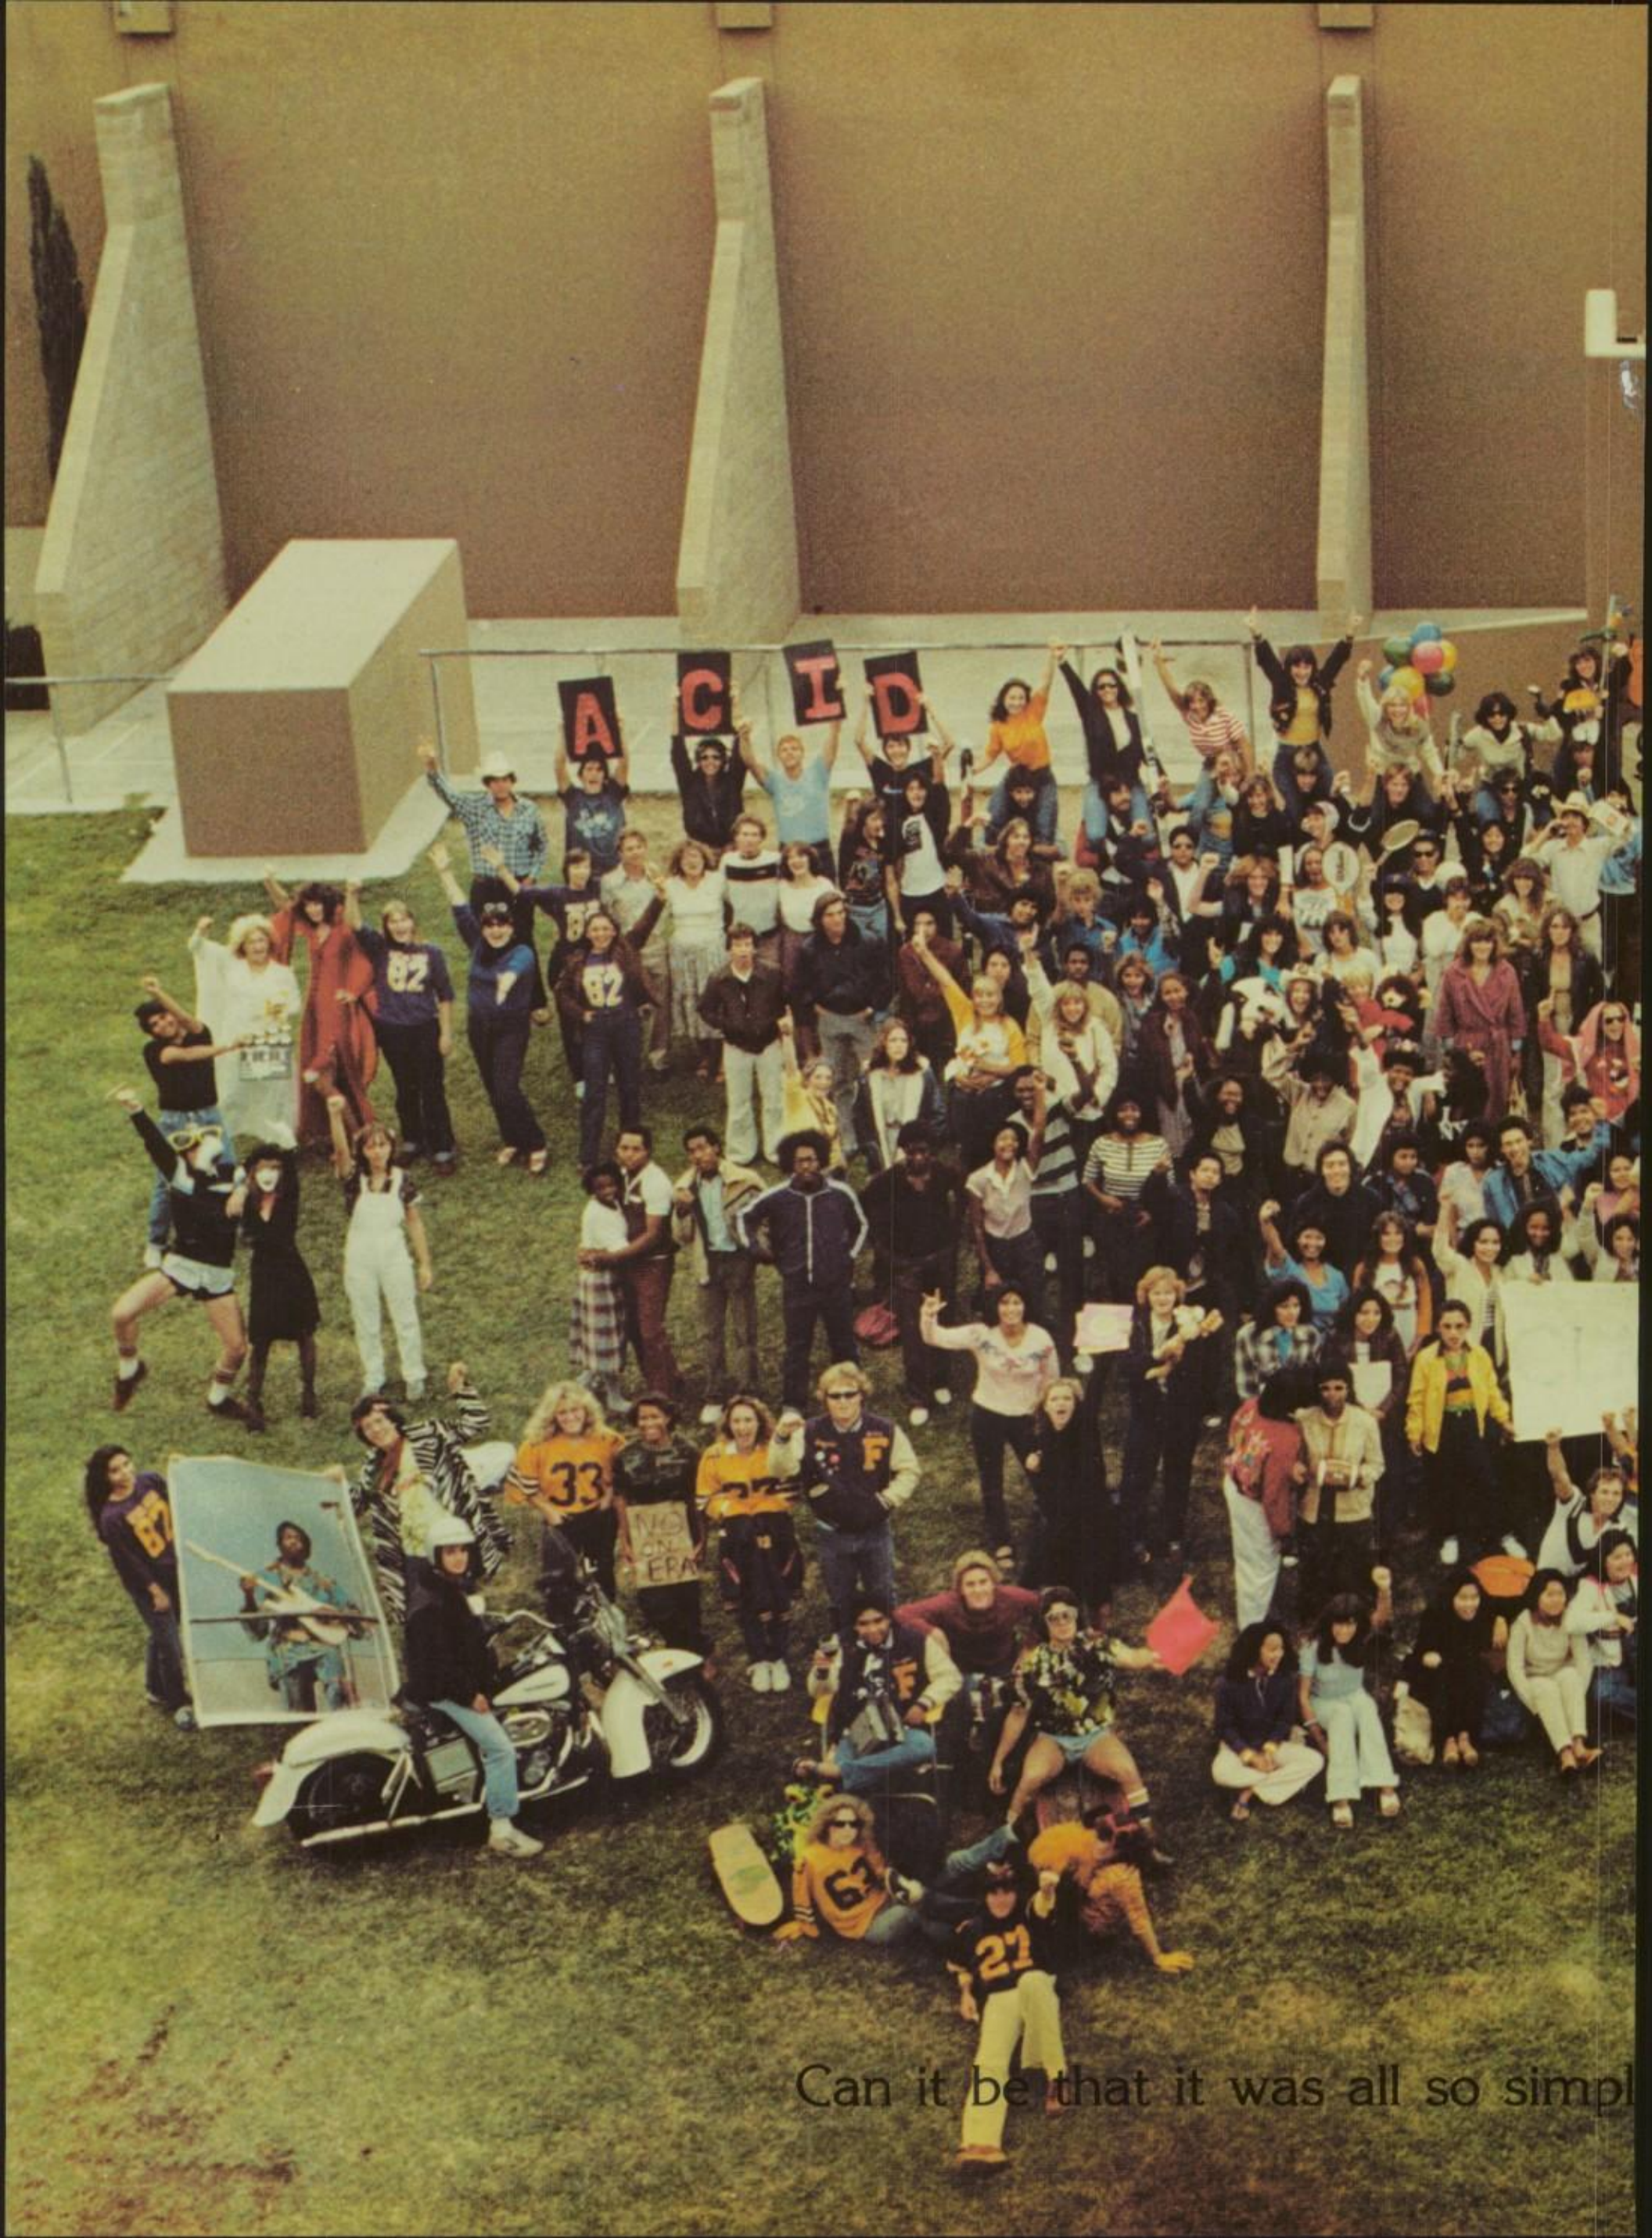
Tahitian Fantasy

Dazzling, exotic and elegant are just a few words describing the many couples that attended the 1981 Prom.

May 23, at about 7:00 p.m. they started arriving at Fresno City College's Student Lounge. Finally, the moment everyone had been waiting for arrived; the announcement of the 1981 Prom Queen, Janet Hernandez, and the King, Craig Jeffus. The real surprise came when we were entertained by a group of Tahitian dancers.

Undoubtedly, everyone that attended the 1980-81 Prom will never forget their own "Tahitian Fantasy".

Scattered pictures of the
smiles we left behind.
Smiles we gave to one
another for
the way we were.



Can it be that it was all so simpl

hen, or has time rewritten every line?

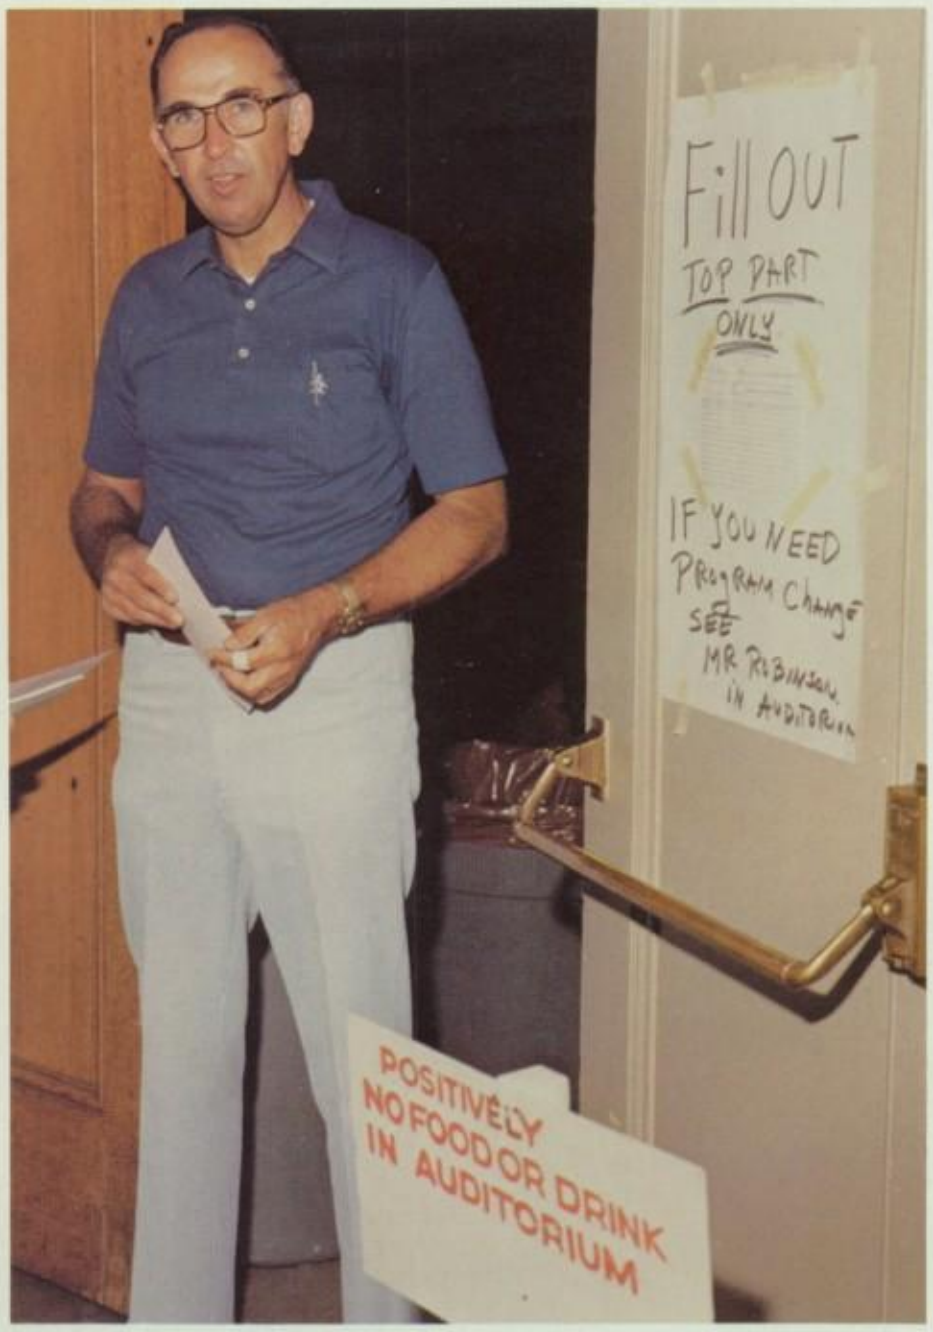
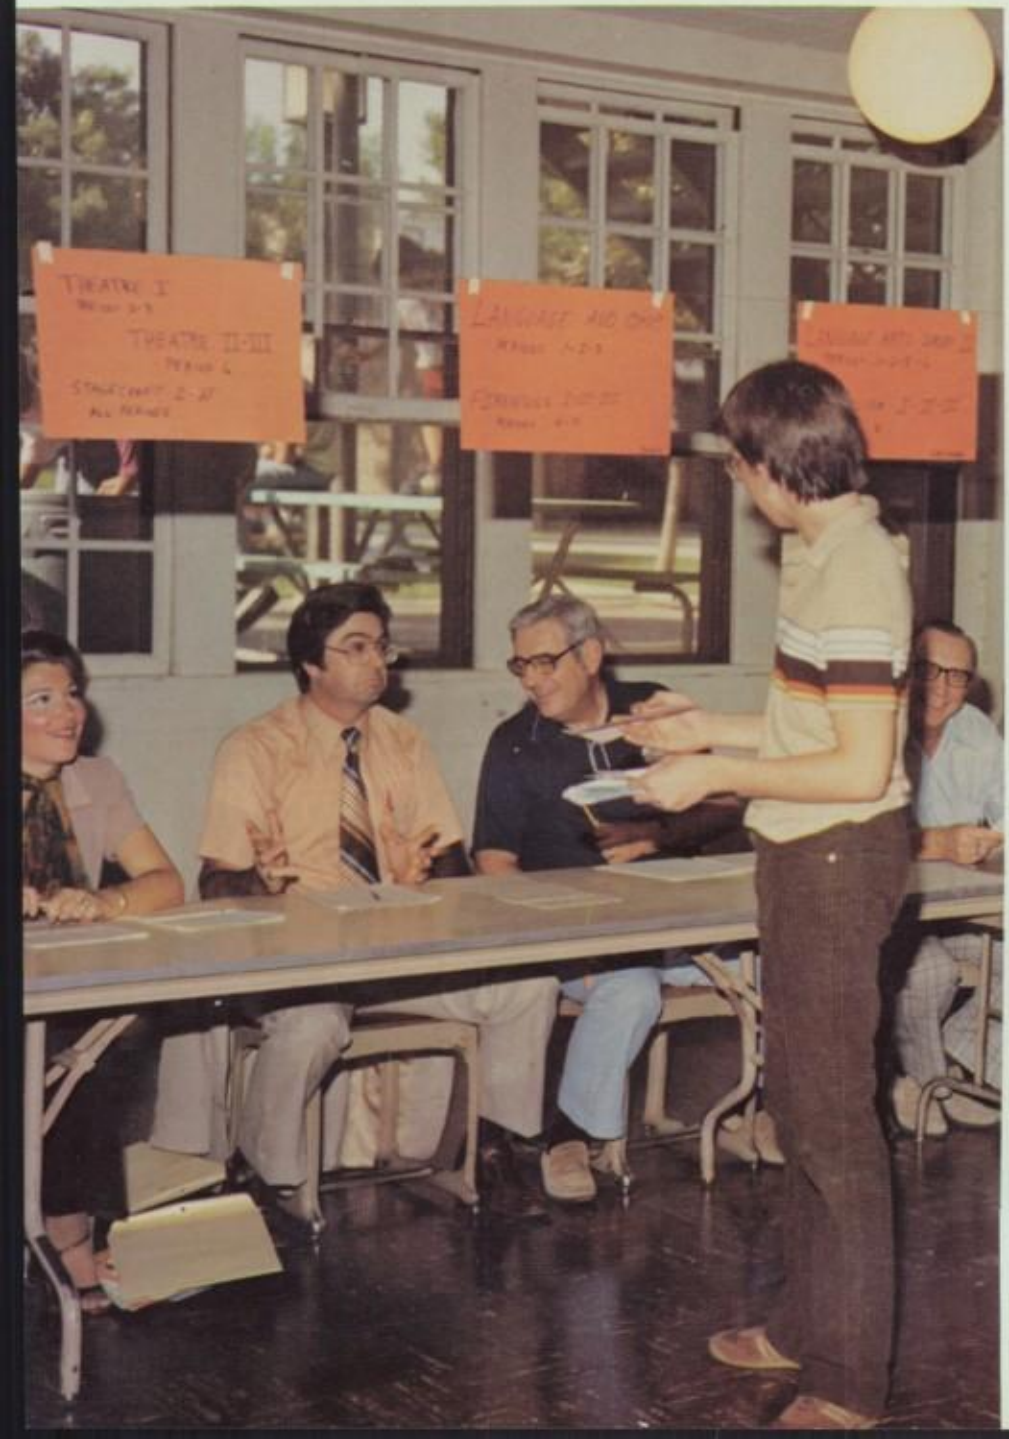
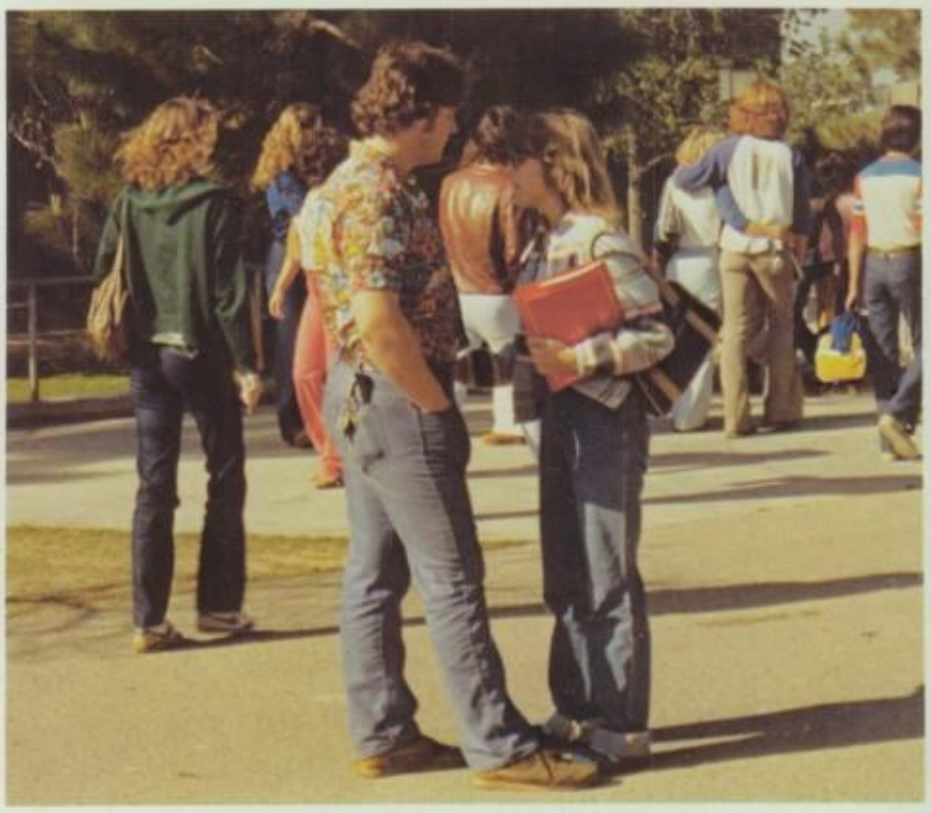
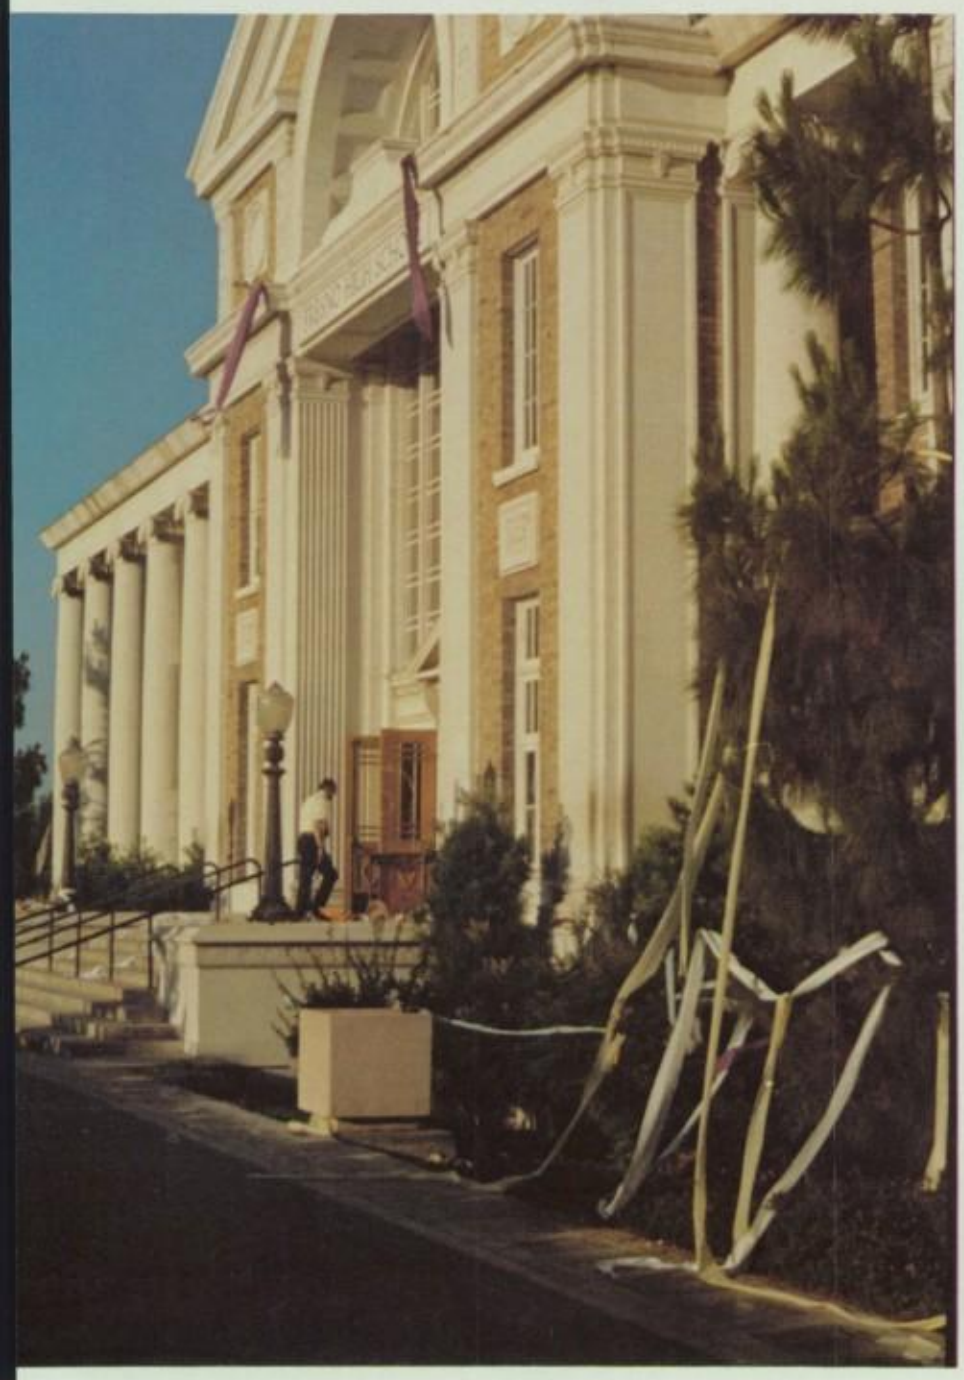
If we had the chance
to do it all again,
tell me, would we?
Could we?

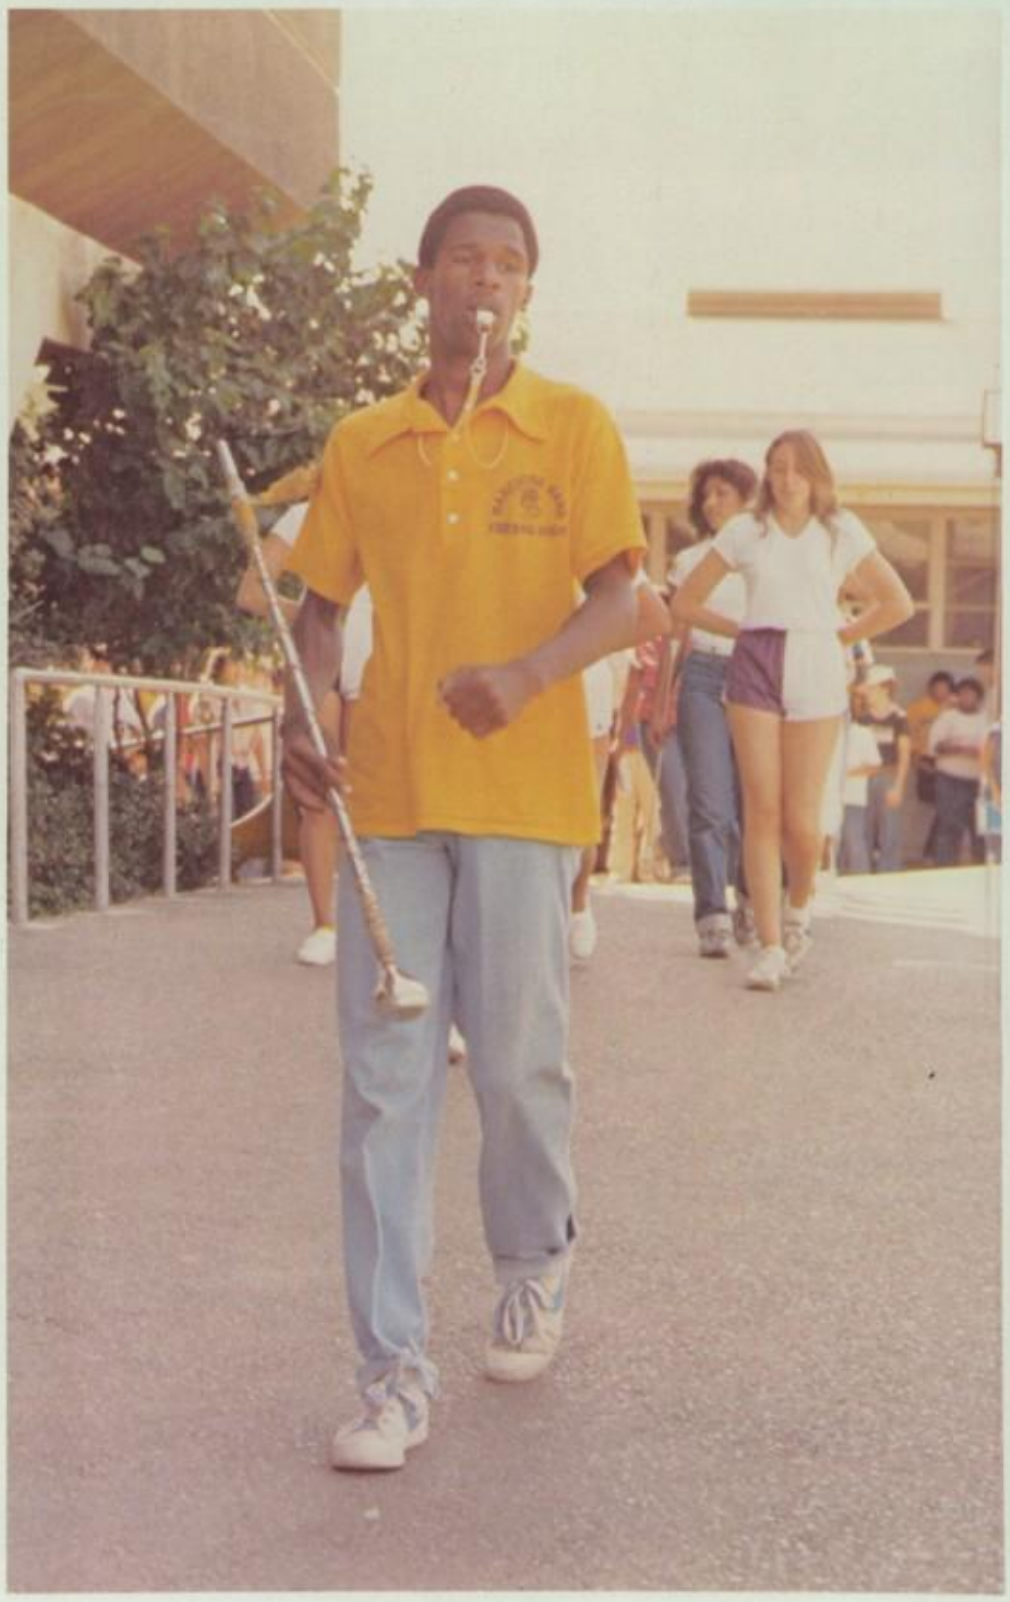




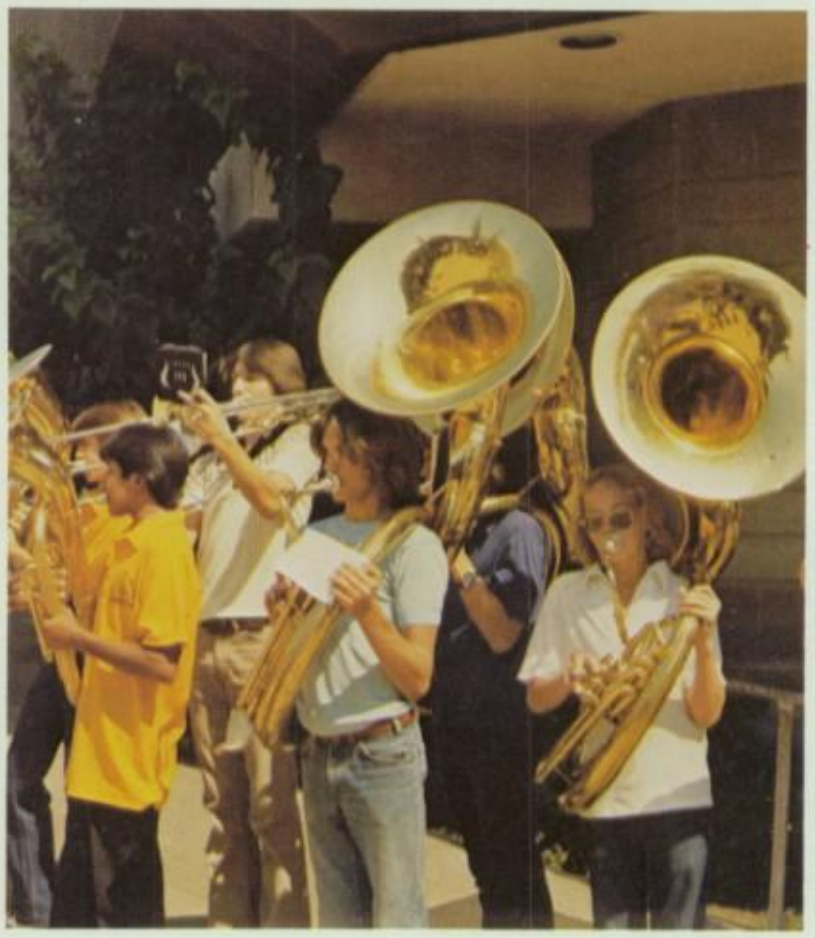
Memories may be beautiful and yet, what's to painful to remember we simply choose to forget.







So it's the laughter
we will remember,
whenever we remember



. . . The way we were.

The Fresno Unified School District has a wonderful school board. With Dr. Stremple leading off the board it was a great success.

Other members of the school board were; Keith Chun, William Stegall, Darlene Laval, Ruth Gadebusch, and Dorothy Rohlfing. FHS should appreciate them for their time in making our school district what it is today.

Fresno High School could not ask for a better administration. With Miss Jeanne Contel as principal, the student body couldn't fail. Backing Miss Contel were vice-principal, Mr. Encinas; girls dean, Mrs. Hammaker; boys dean, Mr. Minasian; and activities director, Mr. Deis.

Together, all these people helped make Fresno High the fantastic school that it is. We have a very caring administration whose only concern is for the well-being of FHS students.

Friendly Advice

In the main core, tucked into various offices, are some very important people. They hold the honored title of "Counselors".

Students always know they can depend on their counselor when they are frantic over classes or can't figure out what college to go to upon graduation. High School students need an awful lot of guidance, and Fresno High has an excellent group of counselors with practical advice.

"One of the fringe benefits," according to Mrs. Childress," is being interviewed by so many different organizations - including the Owl.

Counselors are very important to high school students whether they want to admit it or not. A counselor does just what their name says: "Give Counsel". As we meet with our counselor we might not really take it to heart what he/she has to say, but one day soon we will reflect on something they said to us and it could really be an important asset.

We students here at Fresno High are very privileged to have with us five of the most wonderful counselors.

Our Very Own Royalty

The highlight of the fall semester was, of course, homecoming week. One of the highlights of that week was the election of our Homecoming Queen and court.

The student body was formally introduced to the candidates at the Homecoming Rally in late November. Later in the week, we were asked to vote for the candidate of our choice, based on the candidates involvment and spirit for the school. It was a hard choice for most and the election was close.

Yolanda Castellanos won the honor of Homecoming Queen. Feeling grateful and excited, Yolonda had one more thing to add to her memory book. Her court was Delia Pacheco, Yvette Orlando, Karen Ratzlaff and Cherie Ishihara.

Everyone of the candidates had been very active in our school activities throughout their high school years. Some of the activities they took part in included Gymnastics, Cheerleading, and Baton Twirling.

All of the girls involved felt it was an honor and privilege to be a candidate. Cherie Ishihara and Yvette Orlondo had always hoped to be nominated. For the others, "It was like a dream."

Mid Winter Night's Dreams

Each year, here at Fresno High, students look forward to the Christmas formal sponsored by the Senate Club. It is an exciting event to attend.

The formal was held in our own school cafeteria. Senate went all out to provide students with an evening of enjoyment. Everyone present was decked out in their formal attire which helped set the mood and get the evening off to a fantastic start.

At the dance not only did we have mingling and dancing, but the crowning of our Senate Formal Queen. This was the highlight of the evening which everyone enjoyed.

This year our Senate Queen was Rani Visweswaran. The Royal Court consisted of: Paige Hodge, Athena Costis, Suzanne Chick and Roxanne Courtney. With a selection such as this to choose from, voters had a difficult time. The girls were all excited about their nominations and felt it was a good experience.

Well, again, as usual, the Senate Club really out-did themselves. The Christmas Formal was a dance to be remembered by all who were in attendance.

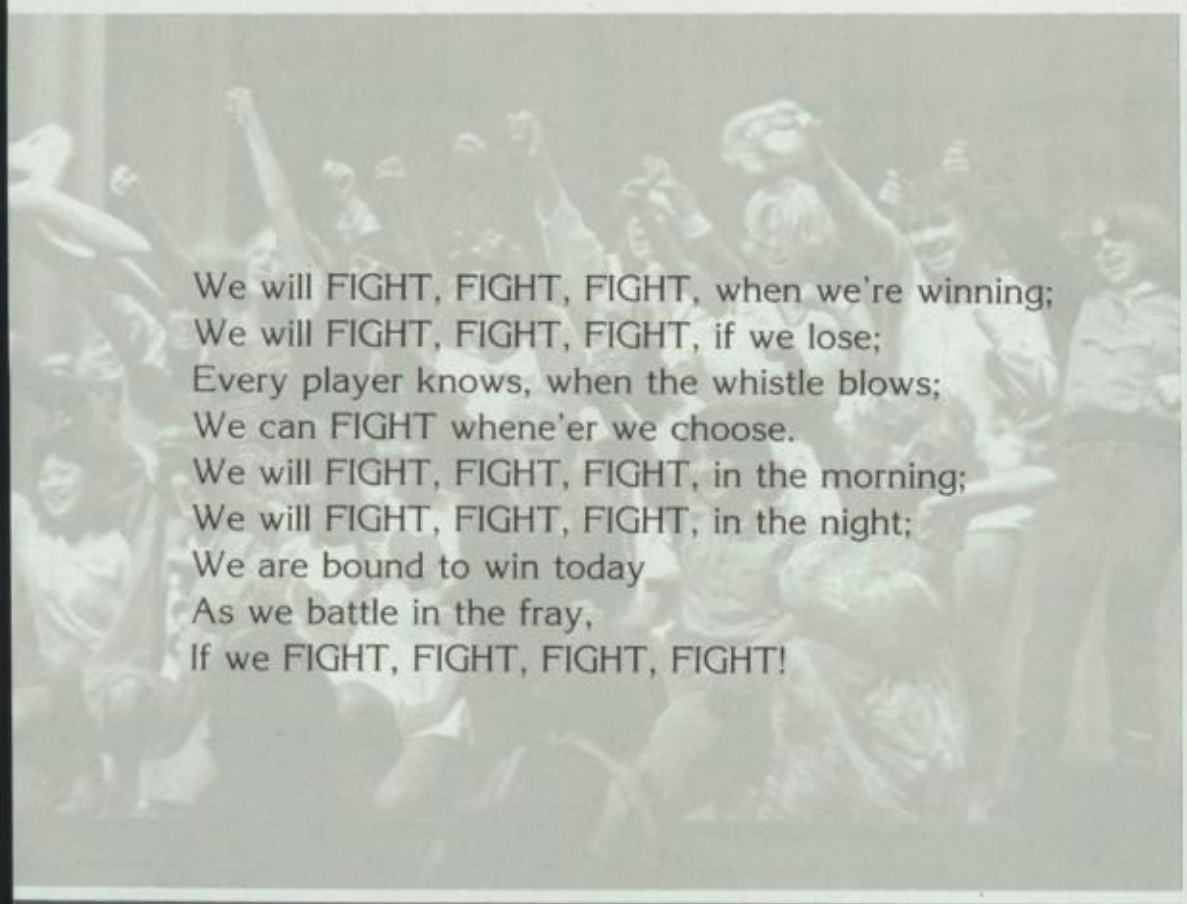
Our strong band can ne'er be broken
Formed in Fresno High;
Far surpassing wealth unspoken
Sealed by friendship's tie.

Raise the chorus, speed it onward
Till the hills reply,
"Hail to thee, our Alma Mater;
Hail to Fresno High."

When in future years we're turning
Leaves of memory
Then we'll find our hearts returning
Fresno High, to thee.

Repeat Chorus–



We will FIGHT, FIGHT, FIGHT, when we're winning;
We will FIGHT, FIGHT, FIGHT, if we lose;
Every player knows, when the whistle blows;
We can FIGHT whene'er we choose.
We will FIGHT, FIGHT, FIGHT, in the morning;
We will FIGHT, FIGHT, FIGHT, in the night;
We are bound to win today
As we battle in the fray,
If we FIGHT, FIGHT, FIGHT, FIGHT!

If at First You Don't Succeed ...

This year our varsity football team consisted of 64 of the most fearless boys at Fresno High.

While we might not have had a glamorous record to brag about, we still had our team spirit. At one of the games this year FHS fans dressed with bags over their heads. Students still came and supoorted the team but showed their spirit in many different ways. This is what FHS is all about.

The guys all played their best and what more can one ask for. The boys really put forth a great effort and we acknowledge and appreciate that fact. Throughout the season both offense and defense bettered themselves in skills. It's important for the guys to truly play as a team and not just as individuals. Certain members are outstanding but it takes the whole team to make things come together.

This year varsity football was coached by Ron Itskoff with the help of Mr. Bogdanovich, Mr. Deis, Mr. Simons, Mr. Garcia, and Mr. Scully as assistants.

Hike-Fore

Powder Puff football was a popular sport this year. Twenty-four girls showed up for practice at the start of the season to play this "girls only" football game. Powder Puff was sponsored by Campus life which is an offshoot of the Youth For Christ Organization.

The team was a strong one with Gail Futrell as quarterback. The girls had lots of fun out on the field, with good sportsmanship playing a big part. One of the rules was that there be absolutely no cussing. If by chance one of the girls let something slip, she ran laps around the track.

Ben Lester and a former Fresno High student, Keith Pempeck, did a great job of coaching with help from their assistant coaches, who were senior Fresno High guys.

Practice for the Golf team started in early February. Although the weather was sometimes less than perfect, the team worked hard. team member Bob Berry felt that the team had improved greatly from the past and would probably make the Area and N.Y.L. tournaments this year.

Balanced and Poised

Our 1981-82 Varsity Gymnastics team was small but strong. Having only four girls on the team was a little rough, but they were great! The four girls were Valinda Joy, LeeAnn Cincetti, Sonya Wilson and Debbie Cochran.

This year was the first year for optionals in gymnastics. Each girls routine differs from the other and the girls get to choose their own tricks, music, and stunts. This was really exciting for the girls and a bit of a challenge.

The J.V. team consisted of seven girls. They each did really well in all of their areas. This year was compulsory routines. The girls have improved alot throughout the year due to their hard practices. They put their all into practices and competitions. Keep up the good work!

Mrs. Sandy Sullivan was coach this year over both teams. Coach Sullivans interests not only lie in gymnastics, but in sailing, photography, cross country skiing, and racketball. Mrs. Sullivan was definetly an asset to this years teams.

Both the J.V. and Varsity teams did well and we are proud of them. Next year we hope to have more girls participating in gymnastics. If they keep in optionals, with more girls next year, it would give Fresno High a chance to show a wide variety of talents.

Do The Bump

Volleyball players spend a great amount of their time rubbing their forearms and falling on their knees. Fresno High's Boys Volleyball Team was no exception.

The team consisted of sixteen athe-letes from all types of sports. The guys started practicing at the end of February and worked hard from then on.

Coach Cheryl Zenimura stated, "All of the team members worked really well together. They've got great spirit and I think they'll go far this year." This was Coach Zenimura's fourth year at Fresno High.

Practices started everyday at 3:30 and sometimes weren't over until 7:00. That left no time for any activi-ties after school, but the guys didn't seem to mind. They were determined to have a good year and it showed in their attitudes and their playing on the court.

Bump and Jump

Both J.V. and Varsity enjoyed a very successful season, standing in third place halfway through the season. The teams were hard working and eager to learn. The practices started the middle of August and continued for three hours after school each day. The games were played every Tuesday and Thursday.

The success or failure of a vollyball team is not only dependent on individual skill, but more importantly on teamwork. It is difficult to single out individuals because they are dependent upon each other.

This years Varsity coach was Cheryl Zenimura. She is a graduate of Fresno High and Fresno State. She is also currently teaching math at Edison. The J.V. coach was Susan Kopf. Miss Kopf is a P.E. teacher and also helps out with the tennis team.

All in all, the girls did a real nice job. The coaches did so much to boost the girls spirits. The day of the game against Clovis, Coach Zenimura gave each team member a yellow carnation to help them feel the spirit to fight it to the end. The coaches' enthusiasm helped out everyone.

Almost Ready For the Pros?

Fresno High has always been proud of it's Varsity Basketball team and this year was no exception. The team was made up of eleven guys. Five were seniors and five were juniors. And for the first time in four years a sophomore was on the Varsity team. Ken Putnam held that honor and he proved to be a real asset to the team by his great rebounding.

The team's deft handling of the ball, along with their determined hustle and sticky press, carried them through the season.

Second year player, Craig Blair, liked the game for it's competitiveness and the fast paced action. While Steve May felt the best thing about being a basketball player was the glory for the team when we won along with all the school spirit that's involved. He also felt the game taught the players some good values that are able to be used in other facets of life.

We dreamed we took the league in our "maiden" -forms

This year our Varsity Girls Basketball team could be seen dodging and dribbling their way down the court. The girls started the season by winning their opening game.

Basketball is one of the most physically exhausting sports. It takes a person with endurance and a lot of skill to play this game. Our Fresno High varsity team had a good season and proved they were from the "School of Champions".

The girls had long and hard practices which certainly prepared them for their rough games that laid ahead. All of their hidden talents and perfected skills surfaced during the games. The team pushed themselves and it paid off in the end with the final scores.

A Time For Learning

The Junior Varsity Boys Basketball Team started practice in November and finished up in February.

Although the team tried hard, the season wasn't quite as successful as we had hoped. The season provided alot of good times for both the team and the spectators.

Although basketball is, of course, a team sport, the strong points on the team were Lamont White, Dave Barnhart, Kevin King and Gabriel Castanon.

Tony Kucharck said, "It needed more team effort." Referring to the season; Richard Marquez agreed, "We have the potential but we have a hard time bringing it out."

Calabrese's Crusaders

What a team! The J.V. girls were a great success. Starting off the season winning an opening game can really excite everyone. The team went on not only to win their first, but many other games.

The girls worked together to make it a real team operation. They had a lot of potential, not to mention skill, and, as a whole, worked out really hard to attain their victories. During the games the fans saw plenty of hussle from the girls. They put forth a fine effort and really made Fresno High stand out.

Mrs. Calabrese was their coach this year and was a great help. She was a good boost to the girls ego when times got rough. Not only was she terrific as coach, but fantastic at being a cheerleader to raise spirits.

Coordination of Mind and Body

The season for wrestling started in November and the guys worked hard all the way through until the season ended in March.

Both the Varsity and Junior Varsity practiced together. There were thirty wrestlers in all.

The guys on the team knocked themselves out getting ready and did a good job on the mat. Although, the hardest part was losing weight so they could be in a lower weight class.

All of the seniors on the varsity team worked together with a professionalism that is a sign of boys who know their sport.

The wrestlers competed against Fresno located schools along with those in Bakersfield, Caruthers, and Gilroy.

Both coaches Nichols and Bourbon were ex-wrestlers and did a fantastic job at coaching the team to the top of the wrestlers ability.

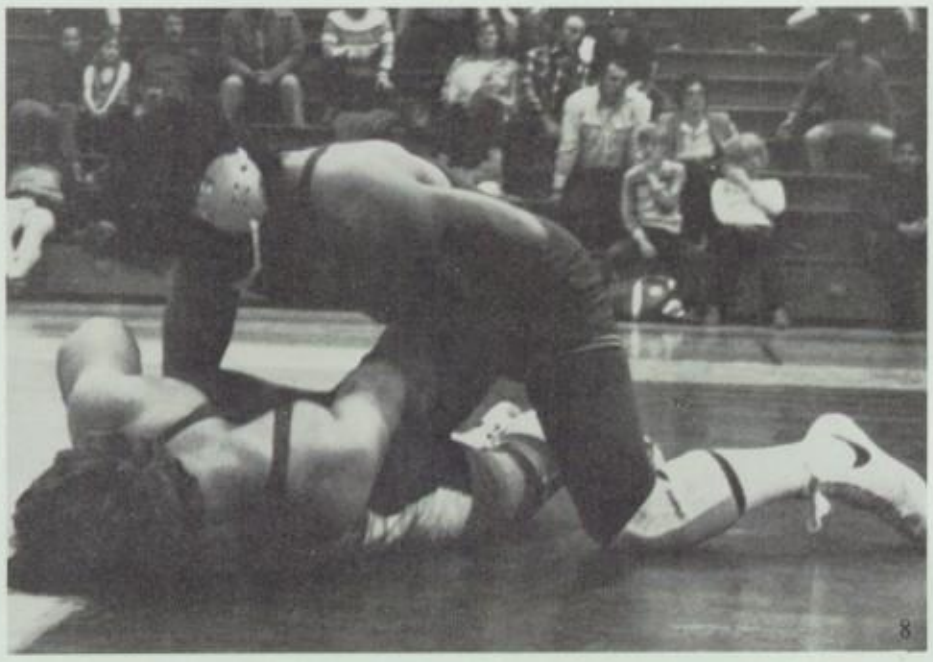
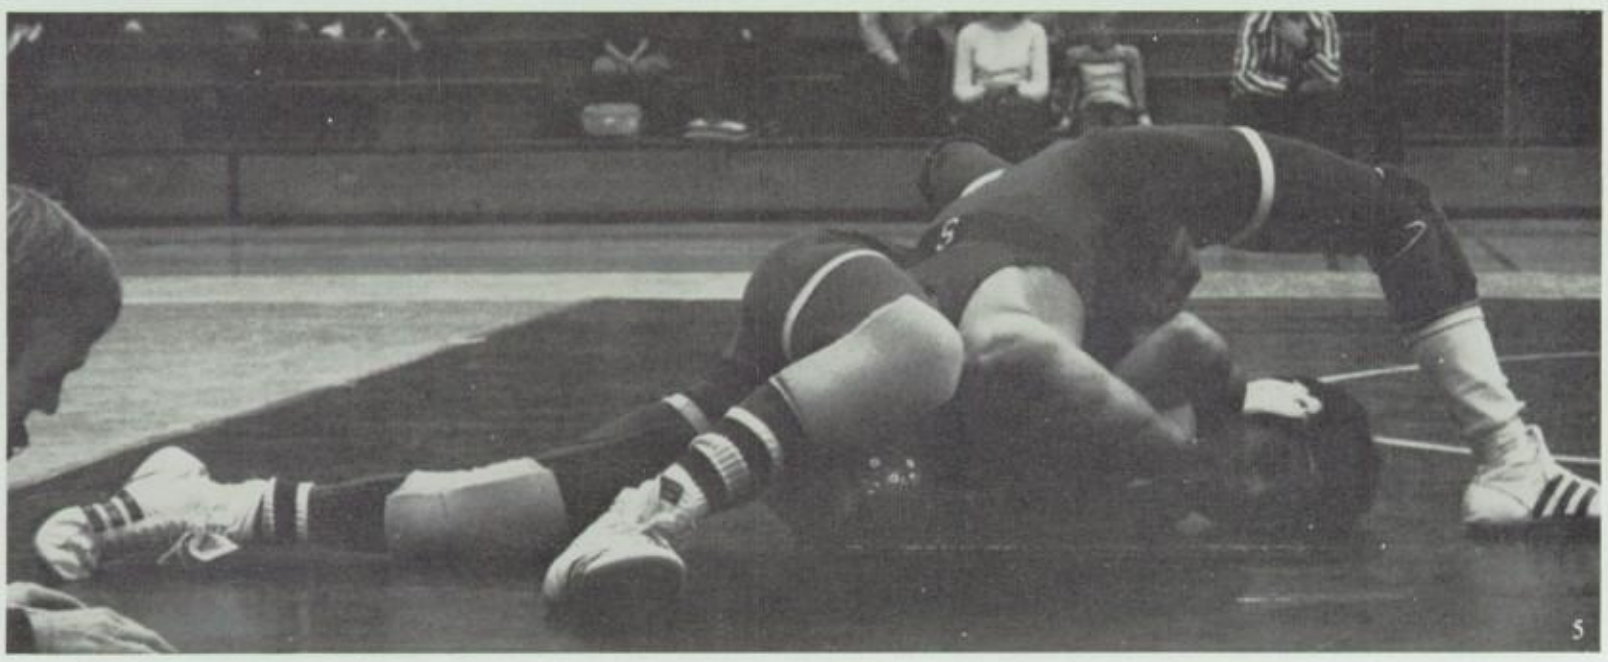
GO





Off the Head, Knee, Foot . . .

This years soccer team was fantastic! Even early in the year they felt they had the potential to be in the valley playoffs. About 50% of the team members had been playing soccer since their elementary years. Jim Beebe, co-captain for the varsity team, has been playing for 12 years.

There were so many boys, who came out for soccer, that they had to divide into varsity and junior varsity teams. On both teams everyone gets along really well. The teams were exceptionally high spirited.

Soccer is an extremely skillful sport and learning is made easier with a coach like Jay Johnson. The teams felt coach Johnson was one of the best coaches Fresno High has ever had.

Goal For It!

Our girls soccer team was exceptional this year. They started off winning their opening game and it was great from that moment on. There were 22 talented girls on the team each receiving a real workout at the practices.

The team practiced every day after school except Tuesdays and Thursdays, when they had their games. The girls showed lots of spirit and played very well. It was obvious to all that they belonged to the "school of champions".

This year the team was coached by Mrs. Wrenberg. Much of the success the team had attained was due to their fantastic skill. However, coach Wrenbert was a strong asset to the girls to keep them in shape and have a good hard practice.

Not Quite Water-Follies, But Pretty Darn Cute!

This season was Sharon Noonan's and Eric Fredrickson's first year of coaching at Fresno High. Although this years water polo team was not very large compared to other teams in the league, they worked great together, both defensively and offensively. The team was competititive in the majority of their games and had a successful season.

Team captain, Zack Totten, was a strong leader both in and out of the pool. Annie Cordona was the team manager.

Although sometimes overlooked, waterpolo is a tough sport. According to Zack Totten, waterpolo is a game of endurance and wit. It calls for common sense before size. It requires alot of training and is very rewarding. The lessons learned are applicable to real life.

Stewart Burgess said, "Above the water, water polo is a game of strength, stamina, sure aim and persistance. Below the water, it is devious and underhanded."

Splish! Splash!

The swimming and diving team did not start with a splash, the pool was drained. These teams spent their first few weeks running, lifting weights, conditioning, and preparing for a good season. Still no water, so they spent one cold week practicing at Fresno City College. Finally the pool was ready and so were they!

This years coaches were Mrs. Sullivan and Sharon Noonan for swimming; Lynn Johnson and Jason Whipple for diving.

"The teams were larger then they had been in the past here at Fresno High," stated Mrs. Sullivan. "We were excited because of this."

Not only was the swim team made up of Warriors, but also of Freshman Braves who were a great help to the team. Some of the stronger swimmers were Yvette Sommers, Susan Ross, Mary Harrison, Kenny Swaim, and Stewart Burgess.

The diving team had most of their divers return with four new additions. Everyone worked together and had a good time!

Smashing Success

This year's boys and girls tennis teams, as with last year's, turned out to be very successful. Our girls team had a total of twenty competitors this season. The boys had another great year with fourteen players on the courts. Both teams could be found out on the courts each day serving, smashing, and volleying to their hearts desire.

The girls, coached by Mrs. Hansen and Miss Kopf, had many outstanding players. They included Paige Hodge, ranked 130th nationally; May Giffen, Kathie Hillen, and Anita O'Neil. The boys' coach, Mr. Burris, also had a lot of extra-talented players. They were Myles Bingham, Eric Nieves, Manuel Davila, and Rene Garza.

Fresno High had a large number of sophomores who gave the upper classmen a lot of competition. We also had the finest singles player in the league, Paige Hodge, who contributed many of her talents during her three years at FHS.

The Stride is Right

In the opinion of coach Belcher, who coached the Cross Country Team, this years team was the best Fresno High has had in the past ten years. Everyone got along well and had good team spirit. They were the best in the league and had the potential to be the best in the valley.

Scott Durham and Ernie Garcia performed well as did Pancho Amaral, Kaj Wren on the J.V. team. For the girls, Heidi Becker and Lori Guiterrez were in the lead.

All in all, cross country had a spectacular season and we are proud to have them here with us. We placed first in the city! The teams, as well as the individuals, were outstanding!

Not many of us realize how much hard work and effort go into cross country. It is a difficult sport that takes not only good physical conditioning, but lots of breath. It takes many hours of practice and hard work to be able to endure through just one of these strenuous races. Cross country is truly a sport to be admired.

Off and Running

Coach Belcher worked with the boys track team this year. In order for the team to be able to purchase their uniforms they sold many things, including gift checks.

The members of the team participated in such events as the 100, 200, 400, and 800 meter races. Other events were the hurdles, long jump, short jump, shot put, discus, and pole vaulting.

Tom Woo showed his ability to jump in the hurdles, while Dan Clarkson did excellent in the pole vaulting event. The team had a good year and most of the team is planning to return next year. They worked very well together and Coach Belcher was proud of everyone. He wanted especially to thank all of the seniors for their help and cooperation.

Coach Belcher did a good job and we were proud of him.

Kicking up their heels

To replace the sad, worn, rags they called uniforms, the girls track teams spent many afterschool hours selling snowcones. They also sold poster calendars. Finally, they were able to give a big sigh of relief when enough money was raised. They could hold up their heads with pride while running, jumping, and leaping.

The girls on the teams had to be in top physical condition in order to utilize their potential to the fullest. Some of the events were the 100, 200, and 400 meter sprints, high jump, shot put, and the discus.

Thirty-five to forty girls went out for the Varsity and Frosh-Soph Track teams. All the team agreed that this season was fun and active.

They deserved a big round of applause for all the hard work, sweat, and worry they exerted. Mrs. Herzog, the track coach, said, "I was very proud of my teams. They were all terrific. Keep on running!"

Alive and swingin' . . .

The 1982 Varsity Baseball team started off this year with a big bang. They won their first two games. They slaughtered Clovis West with a 9-3 victory. Roosevelt bit the dust when the Warriors ran them into the ground with our 7 runs to their 4. The hardworking Warriors committed themselves to do their best and to give their all to each and every game they played.

With a lot of co-operation between team members, the Warriors had a very good season. Their performances were improved by long and tedious three hour practices every day after school.

Ken Papi, the coach of the Varsity Baseball team, worked diligently to make this year's team the best in the city. He helped develop the teams weak points and it paid off in the long run. Coach Papi continued to work with each player to further develop and enhance their talents. The team played the best they could and had a successful season.

First, Second, Third . . . HOME!

On February 8, the Junior Varsity Baseball Team began their torturous trial. In competing for a position on the team, they gave it their best shot! Finally the top twenty boys were selected, and the game was on!

Bob Wilson and Sam Bejeckian, coaches, inspired and encouraged this year's team. Assisting them were Marty True and Jeff Ishihara.

Then the season began. The team, with high spirits and great potential, didn't let anything get them down. Their defense was devastating, and their offense was awesome! Nothing held them back. This year they had the ability to work well together and made the most of it!

The Warrior team played nine games, and put up a fantastic fitht at each one!

Never underestimate their power

The girls softball team started out the season with a brand new coach. Lawrance Fair has coached several other teams before but this was his first year at Fresno High.

There were 33 girls who tried out for the team, but only 16 of them made it. It wasn't easy making cuts because everyone had equal potential.

The team started practicing on February 8. They practiced at 3 different playgrounds throughout the season, starting out at Quigley, then going to Lafayette. The end of the season was spent practicing at Lyons Playground.

Coach Fair had the girls practice for two weeks so he could get to know each of them and judge their abilities before he made the cuts.

The majority of the girls will come back next year but they will lose a few good players through graduation. Marta Marsuobian, Robin Moreno, and Donnetta Policarpo were seniors this year.

Mr. Fair says that this years team was a good one with one of the best defenses.

Our Fearless Leaders

Our Student Body was lead throughout the year by wonderful students. The offices that these people held were quite important. Five people, each term, met and represented the whole student body. These were hard positions to fill, due to the amount of dedication that is required.

Each year around election time there is great excitement. Every candidate campaigns for his/her winning votes. Students choose the person they feel will best represent them.

The Student Body this past year was represented well. All of those in office during the Fall and Winter Semesters did their best to improve life for us here at Fresno High School.

Flagging Our Name Across The Field

The letter and flag girls performed well in all the parades that they were involved in. Their performances included fancy dance routines that were backed up by the band.

At rallies, half-time, or whereever the Flag firls went, they really knew how to liven things up with their innovative costumes and flags of purple, gold and white. Twirling flags takes alot of skill, agility and practice, and our girls really had what it takes to do a great job.

There were twelve girls on the flag squad this year. The girls had an ability to work together as a team. Working the routines out all together gave the girls a chance to work on their ability to cooperate.

Kalen Smith especially got a kick out of the parades. Like there was the time the band was performing in Caruthers and one of the flag girls accidently flipped horse manure onto her shoulder with her flag. Of course, not all experiences were exactly like that. Usually the times were pretty mellow and the friendships strong.

This year there were eight letter girls who marched proudly bearing the name "FRESNO". The girls did very well at parades and during halftimes. Their talents added alot to our marching band.

Jump, Shout, Knock Yourself Out

What would high school football games be like without our cheerleaders? Pretty quiet, right? Well, that's one thing this season wasn't. The rally section was led expertly into screams of enthusiasm for our warriors.

The cheer and pep squads encouraged the team and got the crowd rowdy, no matter how the game was going.

Cherie Ishihara was the head cheerleader and Rani Visweswaren was the head for the Pep squad. Each team had eight girls.

This year Fresno High had a new activities director, Marty Wardle, and a new band director, Mr. Ruffner. This caused a little bit of confusion but the girls and directors worked together to put on some fantastic rallies.

Lisa Sano, a junior on the cheerleading squad, thought "The rallies were great. The class yells between the juniors and seniors were extremely close."

Both the pep and cheer squads were an asset this year to our school in sports. They helped us to maintain strong school spirit when the going got tough.

Twirl and Shout!

The J.V. Cheerleading team consisted of seven enthusiastic sophomore girls. There was no Pep squad this year.

The girls started practice during the summer and continued through the year during P.E.. If a big game or rally was coming up, they would practice after school, also. All that practice really showed up in their performance at the games and rallies.

Kelli McGuinness was the head and she felt, "It was alot of fun but it took alot of hard work on all the girls' parts." The team was able to take the 'boo-ing' at the rallies with a sense of humor, since it's something sophomores go through every year. Team member, Julie Golloday felt it was a great experience and enjoyed meeting new friends.

Fresno High had five majorettes this year. The star performer was Yolanda Castellanos. During the past summer she competited at Nice, France in the World Championship for Baton Twirlers. She took second place. She also performed in the Selma Band Revue and won first place.

All the majorettes helped make our parades and halftime shows a terrific success. Keep on twirling!

The Spirit Makers

Purple and Gold has been an active organization here at Fresno High for 97 years. It is a club with goals set to improve the surroundings of our school. Each year the members meet to discuss a project they could do that would beautify the buildings or yard. This year we had the honor to participate in the making of a mosiac. Fresno High's Purple and Gold, headed by Mr. Deis, was responsible for making a mosiac 8 ft. by 22 ft., that represents Fresno's Community. The art work will be placed with 10 other mosiacs along the new freeway.

There were some 40 active members this year making it a lively group. We are pleased with our Purple and Gold club and appreciate the services they do on the FHS campus.

Heading Purple and Gold this year, for the first time, was Mr. Deis. He put forth much time and effort into the club and the production of the mosiac. The organization is open only to Seniors. Seniors feel they have accomplished a great deal if they do something to help the school.

News makers

The Owlet is the school newspaper for Fresno High. It was first started back in the early 1900's as a means of getting activities information to the students. This year, to go along with the activities information, there were alot of human interest stories and interviews on students and faculty.

Through the ages, the number of issues published was flexible and this school year fourteen issues were published. Each paper could be purchased for twenty-five cents, which covered production costs.

There were seventeen staff members with Mary Goza as Editor. Kathie Hillen was in charge of sports and Bob Marovich as photographer.

Says sports editor Kathie Hillen, "Being an editor has furthered my steps to achieve my goal in becoming a journalist."

This year Keywanettes was small but powerful, they had only ten members. For the first year they opened the club up to boys. Keywanetts is a service club that does special services for the community and school. For instance, at Graduation, Keywanette members are ushers. They help the community by doing things such as throwing parties for schools with mentally handicapped children.

This year Mrs. Holt sponsored Keywanettes' for the first time, and Pam Bencomb was student president.

Future Politicians

Senate has been an institution at Fresno High since 1890. Until 1977 it was an all male club. Then, in 1978 Senate was opened to girls. Now there is an even percentage of girls versus boys. If this trend continues, we may see a female majority in the Senate. If girls prevail, the tie rule may be eradicated.

The major contribution that Senate gives to Fresno High is the Christmas Formal. The Senate has been sponsoring the formal since 1900.

Senate sponsor, Mr. Charlie Hull, also known as the dance d.j., feels that Senate contributes more towards your personal development of personality and speaking skills than any other activity at Fresno High. The 1981-1982 year was Mr. Hull's sixteenth year as a sponsor. That is the longest time any teacher has ever sponsored any club, including Senate, at Fresno High.

Since Senate is over ninety years old, there have been quite a few families that have had two generations of members in Senate and they have even had four families with three generations of members.

The California Scholarship Federation is set up to give recognition to students witha 3.6-4.0 grade average.

The qualifications were the same as in past years. An applicant must have had perfect citizenship, (all 'S's). The letter grades were assigned points; an 'A' being worth 3 pts., a 'B' was 1 pt. and anything below was worth 0. When the points were added up, the sum was required to be 10 pts. or above.

It was a big accomplishment for a student to become a member of C.S.F., especially when just one 'P' or a 'D' could disqualify you.

A student who belongs to C.S.F. for three semesters - one being in their senior year - qualifies for a Life Membership. At graduation, these students had the honor of wearing gold cords and received their diplomas ahead of their class.

Chord Frolics

Miss Beckman is in charge of both Advanced Chorus and Chamber Singers. All of this years advance chorus group has been in beginning chorus for at least one year. Miss Beckman felt that the 1981 chorus had been one of the better choruses. There were sixty-five students in the performing choir. The main concerts in the summer and winter performances took place at Hamilton Junior High School.

The Chamber Singers were made up of a select group of seventeen singers. This year there were more serious musicians in the group than ever before, with many planning on going into a music profession. Several trying to broaden their horizens, performed musical skits at Roger Rocka's Music Hall.

The group, as a whole, sang at different elementary schools. Some also sang with the Pacific West Coast Opera from L.A. which performed Cinderella.

Marching on to Glory

Fresno High had a new band director this year. His name is Mr. Ruffner and even from the very first rally, Fresno High enthusiastically appreciated the work he had done with the band.

The marching band was most visible during the football season. They could be seen practicing out on the field and grooving through the parking lot during the lunch hour.

Practice can be hot and heavy but it really paid off. Everyone who saw the band in parades during the year or went to the games were thoroughly impressed. The half-time routines were always spectacular and entertaining to all.

Even during the games, the band members got really rowdy and contributed alot of spirit.

Fresno High was really proud of our marching band this year.

The high point for the band this year was placing fifth out of thirty-nine High School bands at the Selma band revue. This established our band as one of the top ten marching bands in the Central Valley.

Derek Hardemen took first place as drum major in the same competition.

Get The Beat

Our new band leader, Mr. Ruffner worked with both the Symphonic and Stage Band this year. Both bands consisted of the very finist musicians that Fresno High has to offer.

The Symphonic Band was aimed for audiences who liked classical music. The instruments used in the band were woodwinds, high and low brass, two string basses and percussion.

Auditions were a must to become a part of the Band and they took place after marching season in late December.

On March 5, the band went to a ratings festival. The top rated bands from there went on to a concert band competition later in the year.

The Stage Band played more Contemporary music such as rock and jazz. The band performed for middle and freshman schools in the Fresno High area.

People Behind The Spirit

Although a small club, the football season just wouldn't be the same without Stadium Decorations. The banners this group painted and put up along the bleachers really psyched the other team out. The members had to be really creative to think up new sayings for every game.

The club met after school and had ten members. Crafts teacher, Mr. Gough, was the sponsor, with Liz Perrici as student president.

The Asian Club was alive and in full force again this year. This club is designed for those students of Asian background to get together and socialize with each other. However, this club is not limited to just Asian students. Anyone who wishes to know more of this culture is welcome. Fresno High's club meets with clubs from other schools.

For the third year in a row, Mr. Savala returned to be the clubs sponsor. Mr. Savala enjoys meeting with the club often. He likes to see the students of different cultures, as well as Asian, get together and have fun learning.

Oui Si!

There were about 16 active members this year. French Club has a requirement that each member know a certain amount of the language. Most of the meetings were conducted in French.

Learning a language can be very helpful and fun at the same time. At least twice a month club members meet to help each other become more fluent in the language.

The Spanish National Honor Society was in full swing again this year, with Mr. Savala as sponsor. The requirements for the club were that you have had at least two years of Spanish and a passing grade in each quarter. This year they had close to 30 members.

The big activity that everyone was excited about was a trip to Mexico. Planning such an extravaganza takes money. The club has sold dehydrated fruits as a fund raiser to earn the bulk of it.

The members had an exciting and eventful year. Student president of the club was Kevin Swaim.

Dead and Alive Languages

The Latin Club was for anyone who took a Latin Class. The only other requirment was that each member be initiated.

These bogus Romans really knew how to have fun. The members planned their own projects and parties. Each year they got together at a members home and had a Roman Banquet, which is rather like a glorfied Toga party. Another big event was the Senior Laurels Kidnap Breakfast.

To raise money for their activities, the twenty-five members sold Bunny Grams for Easter greetings.

The German Club is another language oriented club. When the members gathered together, they usually tried to practice German as much as they could.

In past years, the club sold Advent calenders, among other things, to raise money for their club.

The twelve members enjoyed the fun they had at the initiation and meetings.

In The Public's Eye

Forensics was a class for students who wanted an opportunity to express themselves. There were thirteen different events including debate, impromptu speaking, and original prose and poetry.

The class was composed of thirty students, the majority of which are college bound.

The Forensic teams had tournaments about twice a month in which they competed against students from other schools. They are rated on a point system, 1-5, 1 being the highest and 5 the lowest.

Forensics was taught this year by Mr. Jones.

Thespians is a club designed for those students interested in drama. It is a small club this year, but very talented.

The club is affiliated with Fresno High's annual Tee Pee talent show. Thespians also provides, for everyones entertainment, a couple of plays during the year. The members got along well and had an exciting and sometimes interesting time putting plays together. Throughout the year there were fund raisers to help support their club. They took field trips that were advantageous to their learning more of theatre.

New Experiences Through Science and People

By the name, some people might think Junior Larcs is a singing group. Well it's not, Junior Larcs is a service group that helps retarded children through many different activities.

One of the Junior Larcs' activities was to plan and give school parties to help the retarded children celebrate holidays such as Halloween, Christmas, Valentine's Day and Easter. The members decorated, brought refreshments and provided simple entertainment for the kids.

Junior Larcs also raised money during the year to purchase items that will help educate and train mentally handicapped students.

Mesa, which stands for Mathmatics, Engineering and Science Achievement, was a club for the students of Fresno High who wanted to excel in Math and Science. The only requirement to belong was that the student be enrolled in both a Math and a Science class.

4

For those who were interested, tutoring was available at Fresno State University on Thursdays.

Mesa members elected their own club officers. Janet Carella was President with Ed Goto as vice-president. Carmen Bruton served as secretary and Benicia Verdugo was treasurer. Elicia Sosa, historian, said, "Mesa is a terrific organization and Mr. Moore is a great sponsor, we'll miss him next year when he retires."

Tough and Tender Athletes

The members of Iroquois are usually top notch athletic and academically skilled boys who have made the club what it is. The group could letter in any athletic sport. There were twenty-seven such members in the club this year. In the past, Iroquois have been responsible for the purchasing of the weights in the gym. Every year the club sponsors certain events such as Donkey Basketball and the Spring Pizza feed. Iroquois takes an annual trip to San Francisco. Within the club, they have their own activities such as boxing matches. Coach Cain was sponsor of the club.

Cheyennes was an organization made up of girls who participate in athletics. The club was formed seven years ago when girl's sports started getting popular. The club's main purpose was to raise money for sports equipment. Their most popular method was to sell carnations and deliver them on Valentine's Day.

That's The Fact, Jack!

This year, Fresno High had an exceptional Cadet Squad. Mr. Davidson was the sponsor and this was his first year here with us.

Mr. Davidson has been teaching Cadets for 10 years. He said that the team here at FHS has more potential than any other team he's seen. He expects this years team to take the State Championship and in two years they could possibly take the Nationals. Mr. Davidson feels there has been a lot of cooperation from the students.

Our Cadet team, this year, planned a camping trip and three survival outings. They also marched in this years Veteran's Day Parade. Throughout the year, they learned map reading, first aid, camping skills, and basic survival. The Cadets, however, did need money to help them with all of their activities. As a result the squad had a fund raiser selling candy bars for new rifle equipment.

Fresno High is really excited about our Cadet Squad and hopes they will continue to be successful in years to come. Thank-you Mr. Davidson for your hard work rendered.

We've done the Owl

The number of members in the yearbook production class was fewer than in past years; being only thirteen, plus the advisor, Miss Hoernicke.

There were five deadline dates on which a completed portion of the *Owl* was sent to the Herff-Jones company to be printed. The first deadline was in November and the last in March. This was cutting it close to the start of spring sports, but the staff made the interviews and pictures on time.

Being on the *Owl* staff was a big responsibility as the entire yearbook cost was $16,000. The staff was held accountable for selling yearbooks and most importantly, selling advertisement space to local businesses to raise the money.

All of this pressure could make the atmosphere rather tense. Fortunately, though, the staff kept a sense of humor and refrained from taking any drastic actions over lost pictures, misplaced headlines, and other aggravations.

(1) YEARBOOK STAFF: *left to right*, BACK ROW: DeeAnn Peralta, Mimi Tazumi—Layout Editor, Sheri Atwood—Copy Editor, Brenda Hooper, Natalie Lasky—Photographer, Lola Gomes—Assistant Editor, Christine Russian. FRONT ROW: Marcy Fritz, Tammi Tuck—Editor-in-Chief, Traci Tuck, Margie Smeltzer—Layout Editor, Chris Yim—Business Editor, Miss Hoernicke—Sponsor, Shea Hatfield. (2) Brenda, Lola, and Mimi try to look official. (3) Well, I think Caligula was one *!¢ of an emperor! (4) Brenda displays the hard work that makes the yearbook what it is. (5) Miss Hoernicke is oblivious to what goes on behind her back. (6) "Share my coke? You've *got* to be kidding!" (7) Traci—another hard worker.

Seniors Laughing and Leading

1982 SENIORS!! Each year our Seniors come alive with spirit. The class becomes very active and strong. Seniors of '82 busied themselves by working on grad nite. Plenty of time and hard work went into the planning of such a big event. The seniors jumped in with both feet and emerged victoriously. Graduation and grad nite, as well as senior announcements, were handled by the senior class.

Heading up the seniors were the class officers. All who were involved in leading the class did a tremendous job. Officers remained busy clear from the beginning to the end of the year.

Juniors!

One of the gripes heard most often this year, was that the Class of '83 didn't have enough spirit. The exact opposite seemed true at the assemblies. Perhaps there was a little lack of enthusiasm owing to the diversity of students' interests.

As in past years, the Class of '83 contained people with a wide variety of personalities and interests. There were some students who took a realistic view of the inevitability of grades. These kids buckled down to the hard studying involved with classes such as chemistry, zoology, and even trigonometry.

Other kids were into theatre-even acting in local theatres. Some students concentrated their efforts on getting a band together. Their music included rock, punk, and jazz music.

There was also a fair sprinkling of students floating through the year-not getting involved in anything but the weekends.

Soph's

Fighting to be heard over the boo's and yells of Juniors and Senior was only one of the hurdles the Sophomore class over came this year.

For some, Drivers Training was a new and exciting experience. As for others, it was just a legality to get through so they could get their license.

A portion of the class of 1984 had the rather dubious privilege of dissecting frogs and cats in biology. Most were mature enough to use the situation as a great learning experience.

The Sophomore class succeeded in declaring a victory over the old rule that stated no Sophomore could go to the Prom unless escorted by a Senior. For the first time ever, Sophomores could go to the "Springtime In Paris" if either a Junior or Senior escorted them.

Dearest Yolanda,

Congratulations for being chosen Homecoming Queen last fall and for suceeding at all you've set out to do. I'm sure these past three years will always be precious to you, because the achievements you've made will always be a major part of your life. It has been of personal satisfaction to me to have had you as a friend. I hope our friendship lasts a lifetime.

In competition you may not always receive first place, but in my heart you are second to no one and you will always be number one.

Thank you for all you've done for me, and the best of luck in the years to come.

Congratulations,
My Little Star

Love always,

Karen Walker

At Santa Barbara Savings, we have experienced counselors who'll take the time to fully discuss your financial goals to help you arrive at the plan that's right for you; whether that's one of our four different checking plans, or a high-interest savings plan. And our free services are just one more way we can make life less complicated for you.

Back in 1887, we thought every customer deserved the best in service and counseling. Today, we still do business with the same philosophy. At Santa Barbara Savings...we always remember.

FAREWELL

It is difficult for me to put into words the appreciation I have for Miss Hoernicke and my Yearbook staff. Without them, the production of this yearbook would not have been possible. Now that the year is over and your yearbook is before you in tangible form, the wish of the 1982 OWL staff is that this picture-book will be a lifelong reminder of an extraordinary year at Fresno High.

Your's truly,

Tammi Tuck

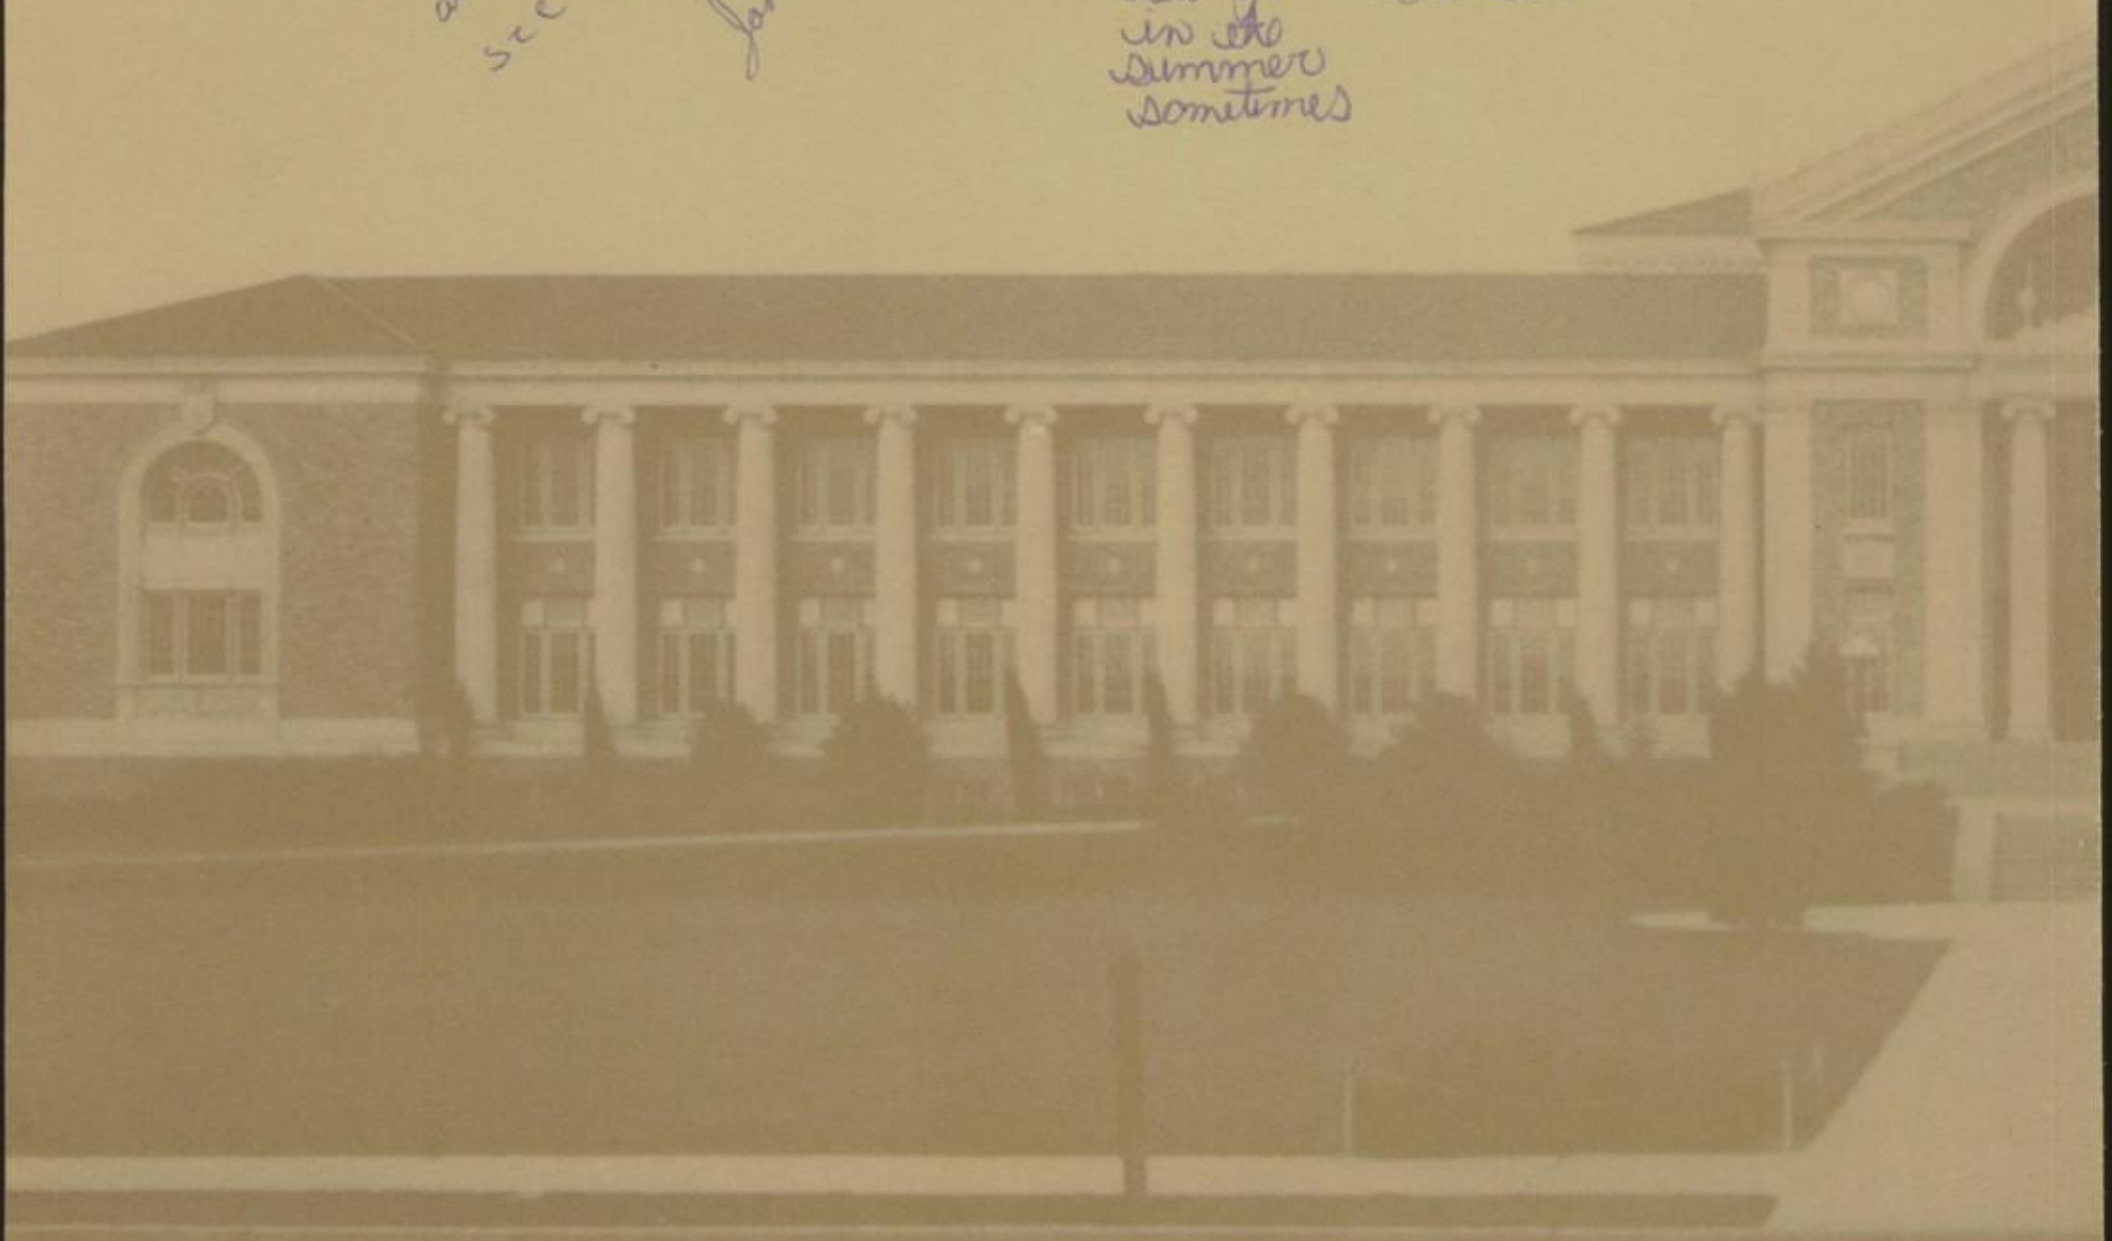
FRESNO HIGH

To
a nice friend I
met this year
and I hope to
see you next year
Johnny Montoy

Steve,
to a really nice
person I knew
a long time, even
though you were
sometimes on the
weird side HA!HA!
Good luck next
year, and the
years to come.
Wayne
Garcia

P.S.
See you
in the
summer
sometimes



Steve,
You are a
private person.
God bless your efforts!
Sincerely,
Mrs. Martinez

Steve,
I've enjoyed knowing
you this year. You've brightened
my days with your willingness to
help and your concern for others.
You rock. Have an
excellent summer. Mrs. Hancock
